Subject: **Proposed 2012 Federal, State and Local Legislative Programs**

Recommendation

Adopt the proposed 2012 Federal, State and Local Legislative Programs as outlined in the Attachments.

Analysis

The 2012 Federal Legislative Program will help guide staff recommendations and actions on federal proposals during the upcoming year. Foothill Transit's proposed federal legislative program is provided in **Attachment A**. This program continues our efforts to strengthen our relationships with our representatives in Washington, D.C. as well as our relationships with their staff members and the staff of the various committees and regulatory agencies that could have an impact on Foothill Transit. Our goals are to build support for Foothill Transit and its programs and to secure funding for our capital program.

Below is a brief history of our efforts since 2003:

In 2003, the Foothill Transit Executive Board approved a TEA-21 Six-Year Reauthorization request for \$39 million and an FY 2004 Federal Appropriations request for \$6.5 million for our Transit Oriented Neighborhood Program (TONP). Foothill Transit received a FY 2004 Appropriations earmark of \$2.5 million.

In 2004, Foothill Transit again requested the \$6.5 million that was part of our TEA-21 Six-Year Reauthorization request of \$39 million and included the \$4 million from the FY 2004 request we did not receive. Foothill Transit received a FY2005 Appropriations discretionary grant of \$200,000.

In 2005, Foothill Transit requested \$10 million, of which \$6.5 million was part of our TEA-21 Six-Year Reauthorization request of \$39 million and \$3.5 million not included in the FY2005 and FY2006 earmarks that were requested. Foothill Transit received a FY2006 Appropriations earmark of \$3.3 million and a SAFETEA-LU discretionary grant of \$7.9 million for the six-year reauthorization period.

In 2006, Foothill Transit requested \$10 million. Unfortunately, the 109th Congress failed to complete work on the appropriations bill and the new 110th Congress decided not to include earmarks in their budget and passed the responsibility for distribution to the Federal Transit Administration (FTA). We submitted an application to the FTA, but received no funding.

In 2007, Foothill Transit requested \$10 million and received a FY2008 earmark of \$500,000. This amount is in addition to the approximately \$2.1 million received in SAFETEA-LU funding.

In 2008, Foothill Transit shifted its federal request proposal to the funding of compressed natural gas (CNG) replacement buses. We requested \$5 and received a FY2009 earmark of \$1.18 million. This amount is in addition to the approximately \$2.1 million in SAFETEA-LU funding.

In 2009, a decision was made to not pursue a FY2010 Section 5309 discretionary funding appropriation because we had been awarded over \$20 million in American Recovery & Reinvestment Act (ARRA) funds that have been targeted for a number of important capital projects over the coming years. Our congressional delegation staff expressed appreciation for our willingness to pass on a funding request in order for other agency's who may not have received ARRA funding to receive this annual appropriations funding as well as being good stewards of federal taxpayer's dollars.

In 2010, Foothill Transit requested \$5 million in FY2011 5309 discretionary funding for replacement buses that would be used to assist us in converting the remainder of our fleet to CNG as well as other alternative fuels including electric battery power. Unfortunately, the 111th Congress did not pass the FY2011 Transportation, Housing and Urban Development (HUD) Bill and instead passed a Continuing Resolution (CR) to fund all federal government programs through March 4, 2011. With the new Republican majority in the House of Representatives, the final version of the FY2011 Transportation and HUD Bill by the 112th Congress did not include federal discretionary earmarks.

In 2011, the Board recommended that Foothill Transit not pursue a FY2012 5309 discretionary funding appropriation due to our solid capital budget position which was a result of prior appropriations and authorizations funding awards, approximately \$20 million in ARRA funding and over \$10 million awarded to us under the Transit Investments for Greenhouse Gas and Energy Reduction (TIGGER) Grant Program for our Ecoliner all electric bus program.

This year, pursuing a FY2013 Section 5309 discretionary appropriation is not recommended due to the moratorium Congress has put on federal discretionary earmarks and our continuing strong capital budget position.

Our efforts will continue to be supported by Jan Powell of the firm Baker, Donelson, Bearman and Caldwell. Jan acts as our advocate in Washington, D.C. when Board members or staff cannot be there to directly represent Foothill Transit. In addition, she directly facilitates our funding requests.

The 2012 State and Local Legislative Program will help guide staff recommendations and actions on state and local proposals during the upcoming year.

Each year staff prepares a legislative program for adoption by the Foothill Transit Executive Board. The program will serve as a guide for pursuing Foothill Transit's legislative proposals and strategies and is meant to be flexible in order to give staff the leeway to pursue unanticipated legislative opportunities that may present themselves during the course of the year, such as advocating for legislation that is consistent with **Attachments B and C.**

On a monthly basis, staff will continue to prepare a state legislative update that will ask the Board to approve staff recommendations on individual bills and policies that affect Foothill Transit's interests. The same will be done for federal and local issues as the need arises.

Our state efforts will continue to be supported by Tim Egan of the firm Capital Representation Group, Inc. In 2008, the Foothill Transit Board awarded a contract to Capital Representation Group, Inc. to act as our advocate in Sacramento when Board members or staff cannot be there to directly represent Foothill Transit. Last year, Foothill Transit exercised the final one-year option for Capital Representation Group to continue state advocacy in 2012.

Sincerely,

David Reyno
Director of Government Relations
